

**Lord It's Late But I Can't Sleep. Readings for a Christian on Mission by Dorothy Nicholson;
Published by Warner Press, Anderson, Indiana, 1984; Softcover, 210 pp**

This book gives not only a moving but also a delightful insight into the ups and downs, the struggles and the victories of the missionary on both the field and on furlough. These short meditations encourage us to pray more meaningfully and intelligently for our missionaries. They are also heart warming. As a former missionary, I find them true to life; the trials of learning a new language, the sorrowful eyes of starving little children, the frustration of loneliness, the heat and humidity, the joy of welcoming a new convert, the love of the young churches for their Lord
